Foodgrade electrical contact cleaner

This product is a powerful degreaser for electrical contacts. Especially suitable for the safe and effective cleaning of electronic components. Evaporates quickly. Foodmax Clean E Spray will dry rapidly without leaving residues and is compatible with most plastics and elastomers. Foodmax Clean E is Kosher, HALAL and NSF-K2 approved.

Foodmax Clean E spray is a powerful, fast drying cleaner, ideal for cleaning electronic equipment and components in and around food processing areas, such as control panels, electric motors, electrical contacts and switches. Thanks to its powerful cleaning properties Foodmax Clean E Spray is suitable for use in many industries, specially food and pharmaceutical.

Benefits

- Will not interfere with conductivity
- Preventive function, will protect against moisture and oxidation
- Not harmful for most plastics and elastomers
- Does not contain mineral components

e 400ml
