POWERFUL FOODGRADE CLEANER

Product Code

262500101

Food Grade Spraycans

Nonfood Compounds  
Program Listed C1  
151738

## Powerful Foodgrade Cleaner

This product is a powerful food grade cleaner and degreaser. It will effectively clean grease and oil residue. Foodmax Clean is non-toxic, non-caustic, biodegradable and can be used safely with minimal protective equipment.

Oil, grease, sludge, polymer compounds and similar hard-to-remove substances can be dissolved with industrial solvents, most of which are caustic or acidic. Unless they are used with special precautions, these solvents can be harmful to both employees and equipment. Foodmax Clean can be safely used for even the most difficult cleaning and degreasing work because it contains no harsh ingredients. It will not damage painted surfaces or delicate aluminum parts or leave streaks or stains. Foodmax Clean is non-toxic, biodegradable and can be safely used without worry of health hazards and rinsed away without

risk of water pollution. In addition to this maximum convenience, you avoid the costs associated with handling, storing and disposing of toxic cleaning solvents.

### Benefits:

- Non toxic
- Biodegradable
- User friendly
- NSF C-1 approved
- Kosher approved
- Halal approved
- Packed in a spraycan for your convenience and also available in bulk packaging

e 400ml
