**Production date of Orthomol products**

We, the company Orthomol pharmazeutische Vertriebs GmbH, hereby declare that that the difference between the production date on the packaging and the production date on our website is caused by the different laws in the Federal Republic of Germany and the Russian Federation.

On the one hand the production date of the earliest produced component is specified. On the other hand, however, you can find the production date on which the products were produced by Orthomol.

Please note, that the important information on the package and on the website is the best before date and should be always identical.

If you have any questions, please do not hesitate to contact us.
