2. Reading (25 minutes)

Задание № 1

Read the text and match items A-G with gaps 1 -6. There is one item you do not need to use. Write your answers in the table below.

Thanks to new technology, going to school these days can be a pleasant experience. No longer having to rely on 'chalk and talk', teachers can give pupils the opportunity to play a more active role in their own learning. This makes learning a more individual experience and students with different learning styles can take in knowledge more easily. This can motivate students 1 _____.

Nowadays students can learn individually or in groups to improve their skills. Using technology is said to develop students' critical thinking, cooperative learning 2 _____. Students can also learn at their own place with the use of computers.

However, not all schools are taking full advantage of these opportunities. Sometimes schools cannot afford to buy the equipment 3 _____.

In other cases, schools have the resources 4 _____. Schools need to decide which types of technology can improve teaching to make learning 5 _____. In addition, teachers need to become familiar with new products, software and on-line resources 6 _____.

Only in this way will schools be able to function effectively in future.

- A** especially as most students enjoy using computers
B or teachers are insufficiently trained to use it in their classes
C and discuss them with their colleagues
D and communication skills
E more attractive and valuable to students
F although it makes them feel more comfortable using technology
G but lack clear goals

Задание № 2

Установите соответствие между заголовками 1 - 8 и текстами А- G. Занесите свои ответы в таблицу. Используйте каждую цифру только один раз. В задании один заголовок лишний.

1. Different opinions	2. Learning to be different	3. Naturally different	4. Small differences
5. Different ambitions	6. Different rules	7. No difference at all	8. Big age difference

A. John and James are identical twins but they don't go to the same school. Their parents felt this would help them develop individual tastes, interests and styles - but the boys at first hated the idea. Now they are really happy at their schools but occasionally they swap places just for fun! The brothers are best friends but they now agree that their parents were probably correct.

B. Anna and Beth are twin sisters but they are most unlike each other. Technically they are "non-identical" twins. Anna is blonde and Beth is a brunette. Anna is noisy, energetic and always crashing around to hip hop and rap. Beth is much quieter and likes listening to classical music and reading. Anna eats anything and Beth is a vegetarian. But they are, absolutely, the closest and best of friends.

C. The Perkins children, Sally and John, both study hard every evening after college and most weekends. Sally studies French, History and Art. She plans to go to university in Paris and wants to either work in a museum or an art sale room. John studies the Russian language, business studies and Maths. He wants to study in St Petersburg and to set up his own important business. I am sure both will succeed.

D. Greg's dad believes that there is no original, exciting new music being written and performed today. Greg strongly disagrees and can name several new bands and singers that are both completely original and really popular. But his Dad is a professional musician and was quite successful when he was young. He argues that nearly every successful song now is simply a reworked version of an older one.

E. In the UK you can legally do different things depending on your age. You can vote for a new government at 18 but at 17 you cannot drink a beer. At 16 you can marry and become a parent but you cannot drive to your wedding or make a traditional toast! Meanwhile lots of bars and clubs are open only to people above 21 which means, married, voting, car driving parents could still be too young to enter.

F. Serious stamp collectors are men and women who appreciate details. To the casual observer, the oldest postage stamps in the world - the Victorian "Penny Blacks" - all look identical. Millions were made but only a few of them are truly valuable. A serious collector knows this and the ability to find tiny variations in the paper, ink or code used helps them to find the "Penny Black's" that are rare and valuable.

G. Dina Ruiz has Japanese and black ancestry on her father's side of the family and English, Welsh and German on her mother's. She was born in California and married her husband, actor Clint Eastwood, in Las Vegas. When she first met Eastwood, she was 28 and he was 63. She is most famous as a TV news "anchor" and is Chair of the California Museum for History, Women and the Arts.

Задание, предложенное Илоне:

You have received a letter from your English-speaking pen-friend who writes

...All in all, my birthday party was great! However, one of my friends came to the party in casual clothes. Just jeans and a T-shirt! Of course I didn't say anything but she felt a bit left out. I was really sorry for her! And what do you usually wear when you go to a birthday party? Is it important in Russia to wear smart clothes at parties? What would you do if you were me?

I've got to go now as I have loads of homework to do. Drop me a line when you can.

Lots of love,

Patricia

Write a letter to Patricia. In your letter answer her questions ask 3 questions about her birthday presents. (100-140 words)

Dear my friend, Patricia. Thanks for your letter. I'm glad your birthday party was a great success! In Russia we don't pay much attention to the clothes but of course everybody want to look great! Actually any clothes will do if a person feels comfortable. As for me, I usually wear skirt and smart blouse. You were quite right don't to take any notice of your friend's clothes. If I was you, I will do the same. It's not the clothes that count, after all. By the way, what birthday presents did you got? Did your parents gave you what you wanted? What presents did you like most of all? As for me, I prefer books. Take care and stay in touch! Sincerely, Ilona.
