

Promotions (6th Feb to 16th April)

Fast Start

A new Fast Start promotion will cover the period from 6th February to 23.59 CET Friday 16th April 2021.

All new Influencers who start in the promotional period will participate in this promotion for the period of 28 days and will, on achieving the level 2, 3 or 4 in this period, be awarded the next level.

EXAMPLE: An Influencer in the Fast Start achieves level 2 and will be awarded level 3.

The Influencer should send a support ticket, from their back office, stating that they have achieved the level 2, 3 or 4 together with the date of the achievement, and request the award to the next level. Our support staff will manually implement the award.

Current Fast Start requirements, that allow an influencer to advance with 50% of the Personal Group Volume (PGV) needed, will continue until further notice.

Over the next period our tokenization strategy will emerge with rebranding, change in circulation, and increased usability.
