CLEAN TOUCH

ELECTRO-BEAM TECHNOLOGY

We introduce to you the newest creation made from advanced Electronic Beam technology from Germany, suitable for both horizontal and vertical use. Material finish is so irresistibly soft to the touch, yet it leaves not a single trace. It encompasses low-light reflectivity giving ultra matte an ultra new definition. Easy to clean and easy to keep, Clean Touch guarantees a care-free and fingerprint-free life.

HOW TO HEAL (applicable only for micro-scratches)

1. Place damp cloth/rags directly above scratches
2. Apply heat on cloth with iron for 10 -15 secs
3. Enjoy brand new surface again

Key Features

Anti-fingerprint

Low-light Reflectivity

Thermal
Self-healing

- Mould Resistant
- Impact Resistant
- Water-repellent
